Selenite: Higher and Crown Chakras

Associated with purity, clarity and divine light. It has a high vibration that helps to cleanse and purify the energy field, removing stagnant or negative energies. Selenite also brings a sense of peace and tranquility, promoting deep healing and spiritual growth.

Lepidolite: Crown, Third Eye and Heart Chakras

A calming stone that aids in emotional healing and stress reduction. Its soothing energy helps to alleviate anxiety, depression and other emotional imbalances. Lepidolite promotes a sense of balance and harmony, allowing for a greater sense of well-being and inner peace. Lepidolite aids in clearing electromagnetic pollution, ensuring a harmonious energy environment.
