Embrace stability and shielding with our Orgonite infused with crystals for grounding and protection. Allow the combination of Clear Quartz, Yellow Tigers Eye, Pyrite, Hematite and Black Tourmaline to create a harmonious energy that anchors you to the Earth and shields you from negative influences.

## **CLEAR QUARTZ:** All Chakras

Considered the most powerful energy healing and amplifying crystal in the world. Clear Quartz balances and revitalizes the physical, mental, emotional and spiritual planes. It cleanses the soul and connects the physical dimension with the mind, acting as a master healer. It enhances psychic abilities, aligns you with your spiritual purpose, aids with concentration and unlocks memory. It also draws off negative energy of all kinds, neutralizing background radiation and electromagnetic smog.

## **YELLOW TIGERS EYE:** Solar Plexus and Sacral Chakras

Yellow Tigers Eye combines the energies of the sun and the earth, creating a high vibration that remains grounded. It provides protection against curses and ill-wishes while promoting integrity, assisting in achieving goals and gaining power in positive ways. Yellow Tigers Eye helps to ground energy, enhance problem-solving abilities and cultivate a sense of practicality and balance.

## **PYRITE:** Solar Plexus and Sacral Chakras

Pyrite is a heavy grounding stone that brings inspiration and motivation. It acts as a powerful energy shield, protecting from physical and emotional danger. The sacred cubic shape of Pyrite symbolizes balance, strength and grounding. It is associated with bringing forth big ideas and concepts, making it invaluable for business owners. Pyrite also assists in healing inferiority complexes, allowing you to confidently stand firmly rooted in your power.

## **HEMATITE:** Root Chakra

A powerful grounding and protective stone, Hematite helps keep the soul grounded to the body, particularly during astral projection and during times of illness. It aids in healing addictions, enhances problem-solving abilities and promotes a sense of stability and security.

## **BLACK TOURMALINE:** Root Chakra

Known as a highly protective stone, Black Tourmaline guards against all forms of negativity, including psychic and physical danger. It attracts inspiration, compassion, tolerance and prosperity while dispersing tension and stress. It promotes self-confidence, diminishes fears, balances the right and left brain hemispheres and harmonizes Divine Masculine and Divine Feminine energies. Its ability to deflect radiation energy makes it a perfect addition to Orgonite.
